128 (Season: 2022)

(Last year in brackets)

Quality: Barely maintained.

Demand: Good demand for clean good liquoring types. Others met with only a limited interest.

Buyers: Blenders were active. Loose Tea Traders lent fair support.

LEAF-CTC:

Brokens: Well made good liquoring invoices sold well at firm rates. Occasional lines tended dearer. Others were irregularly little easier and suffered large withdrawals.

Fannings: Best and the below best types were readily absorbed at generally firm rates. Rests were irregularly little easier with heavy withdrawals.

Bought-Leaf Teas: Less demand at easier rates with heavy withdrawals. Prices generally ranged between Tk. 100/115. Select few better types sold between Tk. 125/135.

Dust: Clean good liquoring types sold well at firm rates. Others were easier with fair withdrawals.

Comment: A heavier weight were offered this week comprising mostly medium, plains and re-printed teas creating a dampening effect on the market. There were heavy withdrawals and prices eased in line with quality. However, well made good liquoring invoices were much sought after by all sections of the market and sold at firm to little dearer rates.
