**(Last year in brackets)**

**Quality:** Maintained.

**Demand:** Fair demand with buyers following quality.

**Buyers:** Blenders were fairly active. Loose Tea Traders lent improved support.

**LEAF-CTC:**

**Brokens:** Well-made good liquoring descriptions sold well at firm to generally easier rates than last. Select few lines were a shade dearer following competition. Medium types met with selective demand at Tk. 3/5 easier than last. Plainer sorts were mostly neglected and suffered substantial withdrawals.

**Fannings:** Clean good liquoring types sold well at firm to little easier rates following quality. Others were irregularly easier and a fairly large weight remained unsold owing to lack of demand.

**Bought-Leaf Teas:** Mostly neglected. Prices generally ranged between Tk. 100/120. Occasional lines shed more in line with quality.

**Dust:** Met with an improved demand. Clean good liquoring description sold well at firm to occasionally dearer rates following quality. Rest were easier. Plainer types were mostly neglected. Coloury CDs were a strong feature of the sale.

**Comment:** Well-made good liquoring types on offer met with a good market. Packeteers continue to be the major contenders for the teas on offer. Plain and reprint teas mostly remained unsold. Cleaner CDs sold well.
