Dust: Met with a good demand. Clean bright liquoring types ruled firm to little dearer whilst others were barely firm on last. Cleaner CD's were a strong feature.

Comment: There was sustained demand for the well made bright liquoring types on offer which were mostly firm on last. A few expensive lines however, eased in value. Blenders lent improved support whilst. Loose Tea Traders were fairly active. Cleaner Dusts were a good market. Withdrawals were fewer than last.
